

Our wine list has been carefully selected by the Balsamo family. Following a trip to Vin Italy in April 2022 and 2023, Luca and Lewis tasted a range of premium Italian wines from the very best regions across Italy. A couple of our wines have been on the list since 1976 when the restaurant first opened. Keep an eye out for our staff recommendations!

Please ask your server for our pairing notes and recommendations, we are sure we have something for everyone's taste!
